Subject: 2020 Re-registration of Dicamba New Use on Herbicide-Tolerant Soybeans and Cotton

All:

Please find attached a cover letter for documents from Center for Food Safety for EPA's consideration. Due to the size of a zip file, which did not make it through EPA's server last time, we are sending the documents via WeTransfer, and you should all receive links to download shortly. We are also mailing thumb drives through USPS.

Thank you for your consideration,
